More from Mitchell Dairy!

A group of our Clarion participants recently took part in a Special Olympics' event. It was a great day! Excellent job everyone!

“Blooming & Growing in Education” was the theme at this year’s Venango County Partnership Recognition that was held on Tuesday, May 17th, 2016. Juanet Shefchunas and Bekah Stoltz attended. VTDC was recognized for our Career Activities, presented by Andrew Kray, pictured below. Our very own Bekah Stoltz is also pictured below.

“There is nothing impossible to those who will try”

While on HCH, one of our Dubois participants baked Oatmeal raisin cookies. He was kind enough to share them!! They were delicious!

In addition to their trip to Mitchell Dairy, the Seneca trainees also visited and toured Voyten Electric. That was an interesting place to visit!

Popular May Quotes:

“Our uniqueness, our individuality, and our life experiences mold us into fascinating beings. I hope we can all embrace that. May we all challenge ourselves to delve into the deepest resources of our hearts to cultivate an atmosphere of understanding, acceptance, tolerance, and compassion. We are all in this life together.”

“When we are sure that we are on the right road, there is no need to plan our journey too far ahead; no need to burden ourselves with doubts and fears as to the obstacles that may bar our progress. We cannot take more than one step at a time.”

“I am determined to be cheerful and happy in whatever situation I may find myself. For I have learned that the greater part of our misery or unhappiness is determined not by our circumstance but by our disposition.” Martha Washington

“Do not go where the path may lead, go instead where there is no path and leave a trail.” Ralph Waldo Emerson

“All the adversity I've had in my life, all my troubles and obstacles, have strengthened me... You may not realize it when it happens, but a kick in the teeth may be the best thing in the world for you.” Walt Disney
