VENANGO COUNTY SUMMER JOBS AND MORE

Juanet has been working diligently with the preparations for this year's Summer Jobs and More for Venango County!

Work Readiness week was completed on 06/17/2016 with 12 youth. 8 of the 12 completed all 5 days and received \$50 Walmart cards. An additional kiddo was on vacation that week (however she completed work readiness last year). 12/13 youth were pre/post tested and ALL increased by the post-test. 11/13 youth started work the following week. She is still trying to find jobs for 2 young ladies, waiting on several employers to call her back.

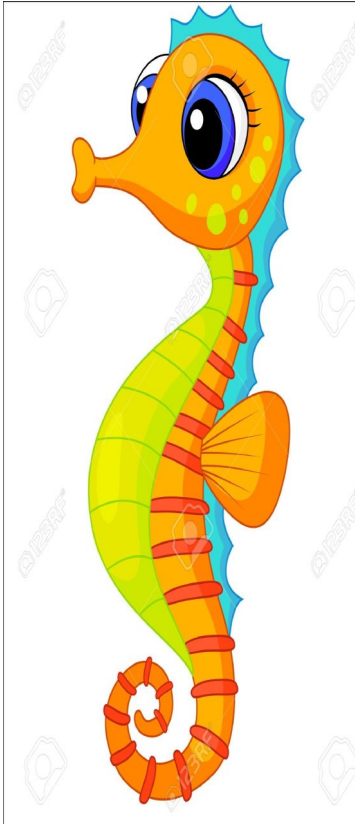

All is well and the kids are doing great so far!

Venango/Clarion Summer Picnic

The 2016 Venango and Clarion Crossing Bridges summer picnic was held on Friday, June 24th at Morrison Park. The Cranberry Area Lions Club served the meal of hotdogs, hamburgers, and delicious French fries! The afternoon was filled with dancing to music provided by DJ Posey and dunking people in the dunking booth. The theme was "under the sea". It was a great day!

50/50 Raffle Drawing Winner

Every payday there will be a 50/50 drawing for \$1.00/week. Proceeds raised will go towards a Summer Picnic and/or Christmas Party for Staff. See Melinda to participate!
