2016 VENANGO COUNTY SUMMER JOBS AND MORE PROGRAM

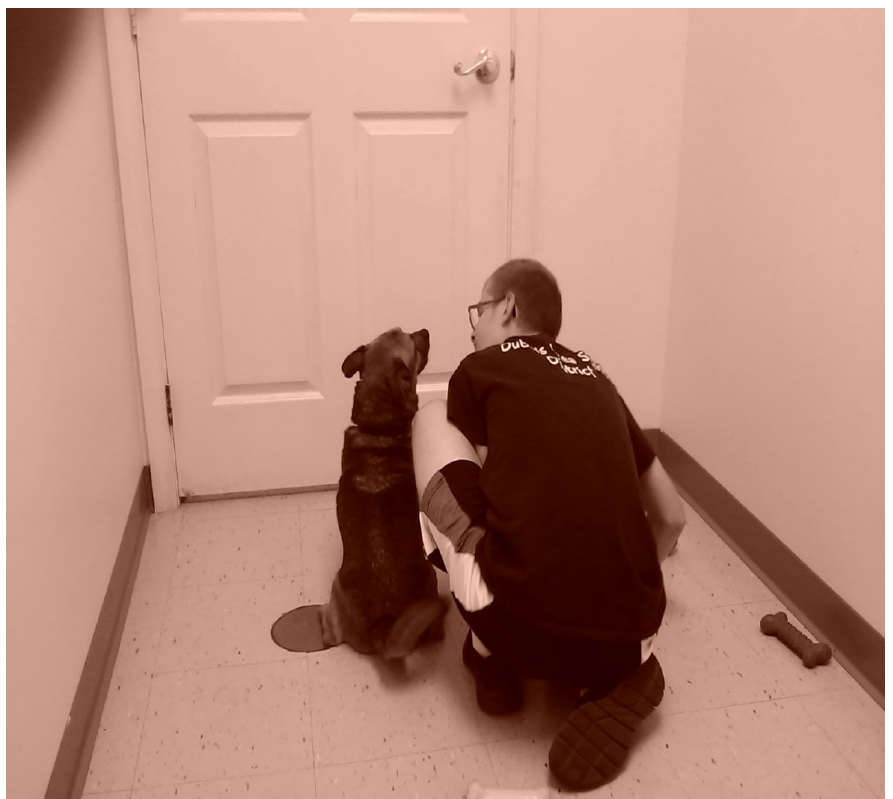

This year's Summer Jobs and More Program in Venango County has nearly come to a close. Juanet Shefchunas, Community Employment Program Director, was pleased to announce that it was a great success this year. With the help of the United Way of Venango County providing a grant, UPMC sponsoring \$2,000 for a youth, and Liberty Electronics sponsoring \$1,000 for a youth, we were able to place 13 youth for work experiences! What a great success, indeed! In addition, 4 of the 13 individuals have been asked to stay on as employees. We are so proud of the hard work that was put into the program this year. Great job everyone!

Congratulations!

Attached are photos of a participant in Dubois. He job shadowed a loader position at Rural King. This position is responsible for loading larger products into the customer's vehicles, while also maintaining a clean environment for customers and staff. In addition, this position is also responsible for ensuring carts are kept in the appropriate receptacles, while also keeping the store stocked with shopping carts. During his shadow, he participated in the activities of the job. He enjoyed the job and the hard work!!

Shown here is one of our Dubois participants volunteering at the SPCA. He is with his favorite dog, Ozzie.

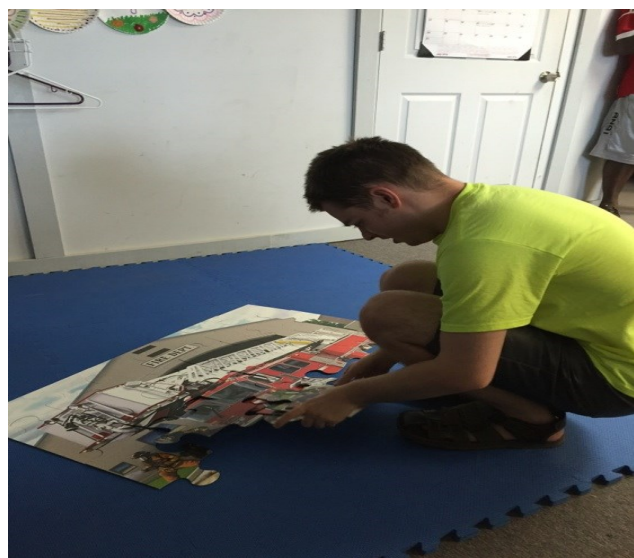

Pictured above is a Dubois participant enjoying a little time on the basketball court!
